Residential
Burton Road,
Flixborough

Flixborough is a village situated to the north west of Scunthorpe. The project provides a total of twelve affordable homes comprising 4 two-bedroom bungalows, 4 two-bedroom houses and 4 two-bedroom properties available for rent by the housing association L & H Homes.

The layout takes account of the existing topography of the site by carefully locating the bungalows and houses. Each property is designed to take full advantage of the countryside views and a courtyard provides focus for the residents within the heart of the scheme.

The buildings are designed to reflect and complement local building traditions and the broad grass verges and boundary treatments help define the rural character of the proposal.
